Re: *Sokolow, et al. v. Palestinian Liberation Organization, et al.*
Docket No. 04-CV-397 (GBD)(RLE)

MAY 09 2014

Dear Judge Daniels:

On April 23, 2014, plaintiffs sought Magistrate Judge Ellis' approval to file a memorandum in support of their pending request for discovery sanctions. On April 29, Judge Ellis memo-endorsed the letter denying this application.

Judge Ellis has not yet acted on the underlying request for discovery sanctions. Thus, his order forbidding plaintiffs to file a brief may become moot—or it may become important—depending on how the pending request for sanctions is resolved.

In light of these circumstances, plaintiffs respectfully request that the Court enlarge plaintiffs' time to object to the April 29 order until two weeks after Judge Ellis enters an order resolving the underlying request for sanctions.

Respectfully,

A handwritten signature in black ink, appearing to read "K. Yalowitz".
